

What processes dominate during housing recovery?

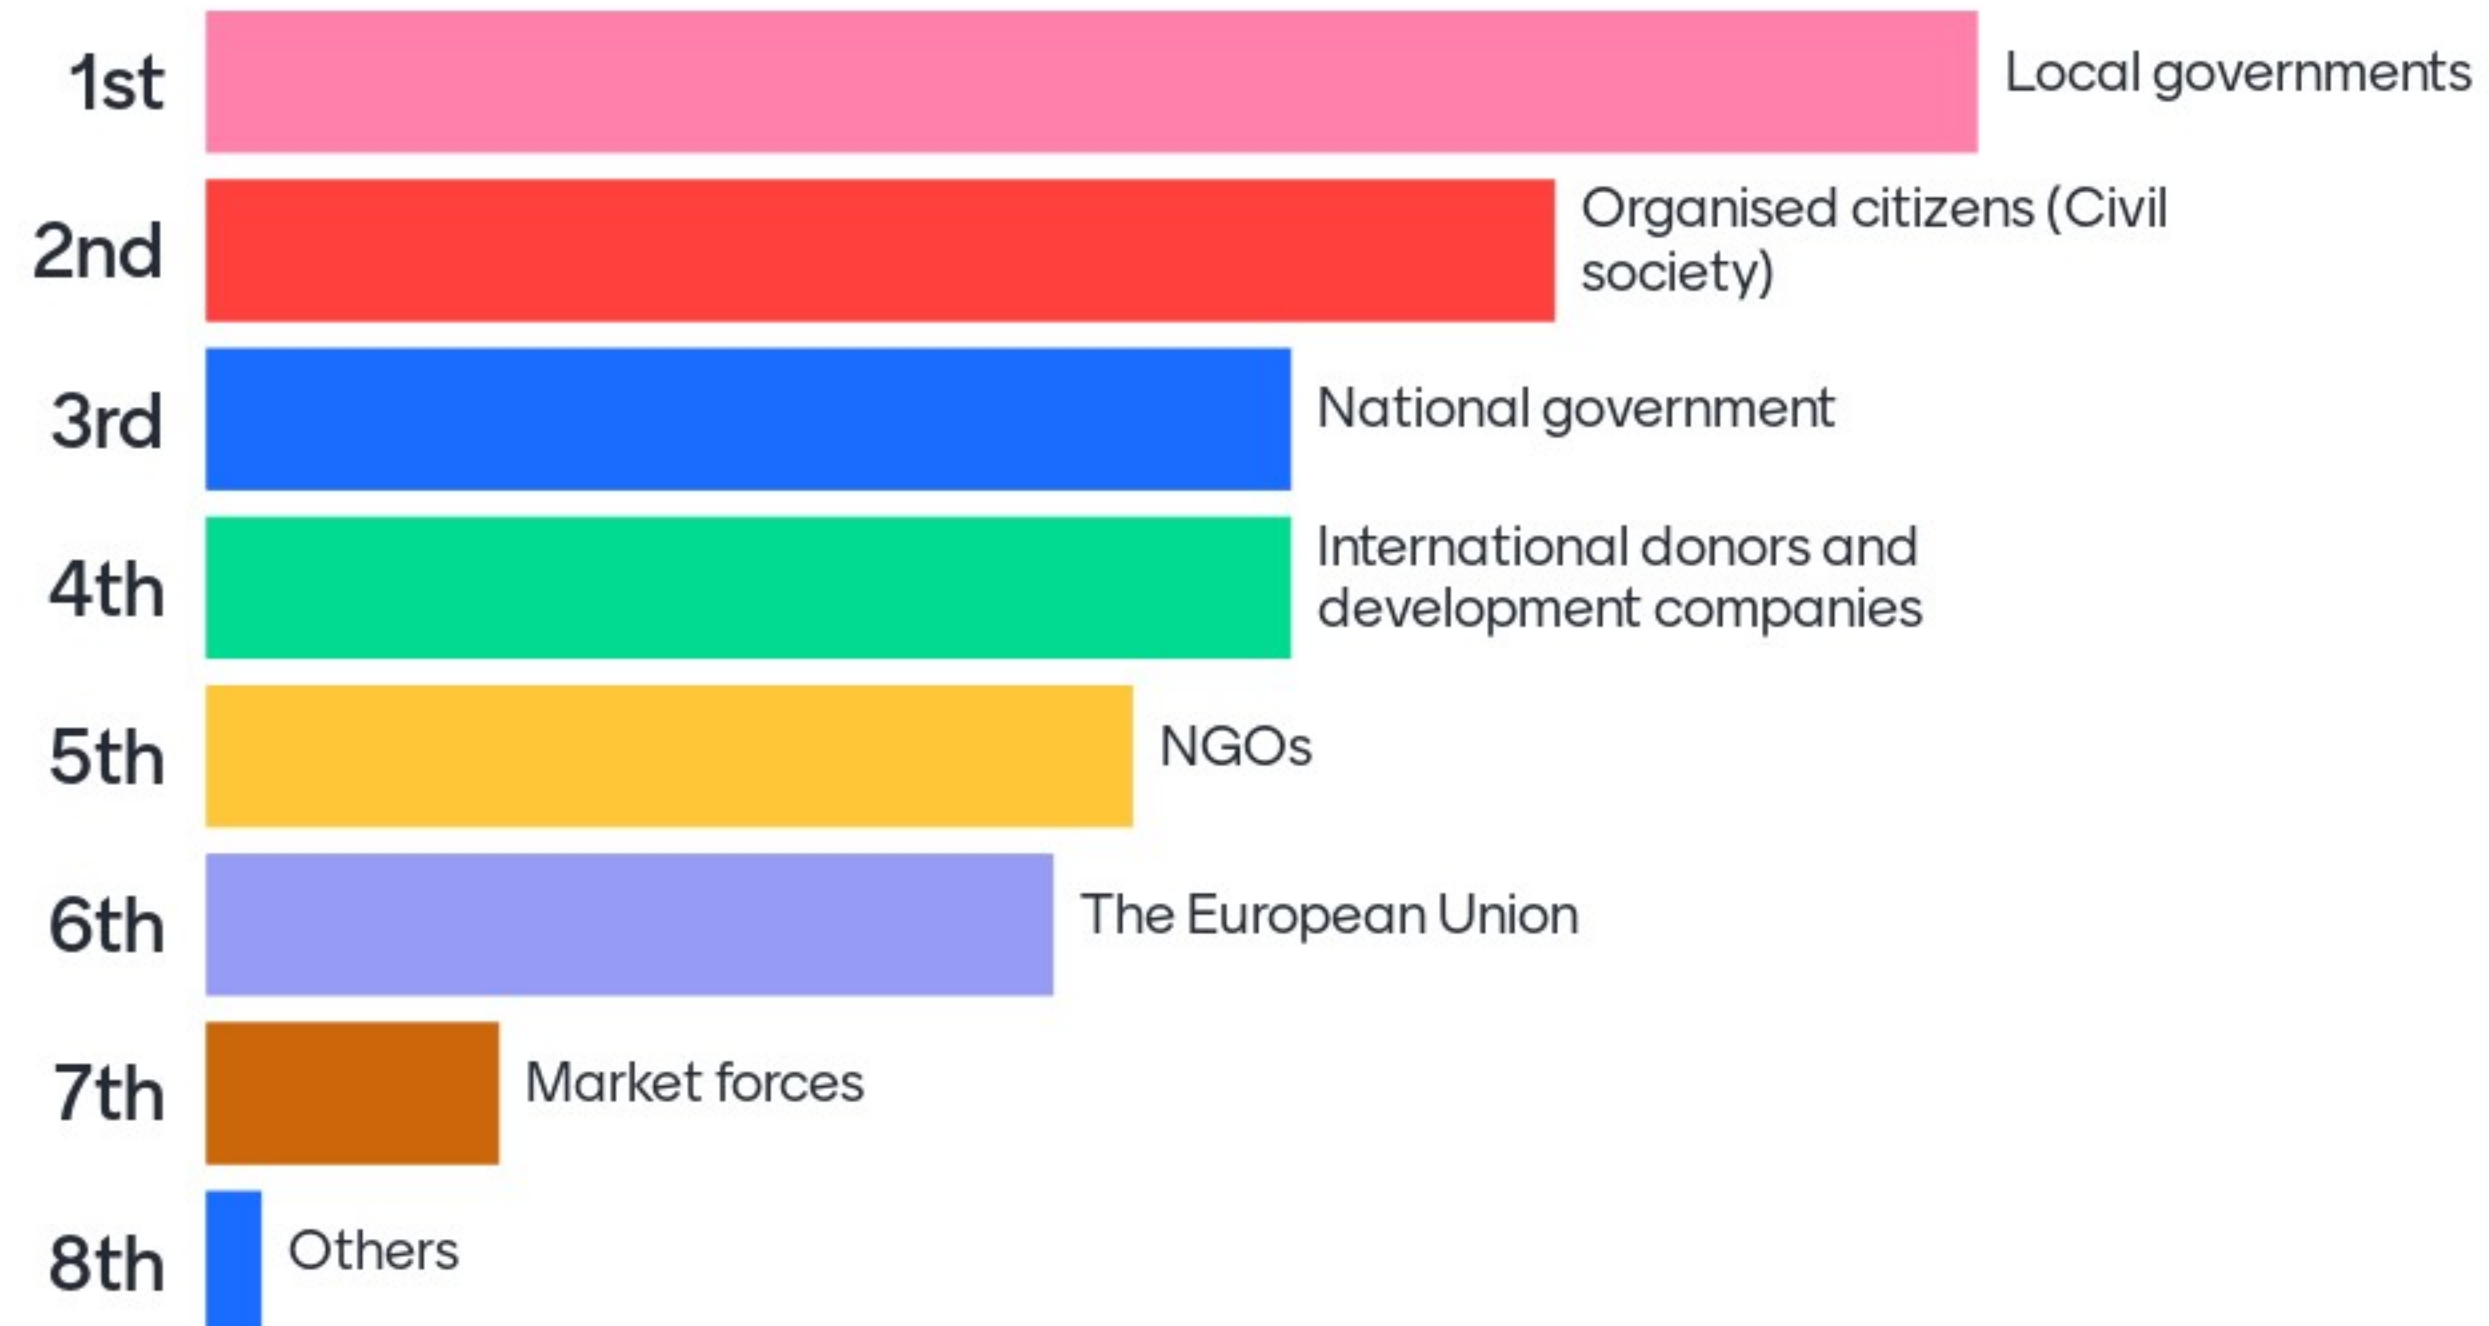

Who are key decision-makers?

What resources are essential for housing recovery?

Who are / should be the key decision-makers in Ukraine?

If *yes*, has government got the capability to create an enabling mechanisms for communities to lead their recovery?

be human driven approach
via international funds
but dia might be helpful
platform approach
rules
kinda
it has althought is shoul
not yet complete
yes but in coordination
via mobilizing society
yes there is a possibili

cooperate
not really
planner
yes
no
